From Ellen Byrd MSN, RN, School Nurse

Flu A is on the rise in our community. Please report any positive flu tests to the School Nurse.

If your child becomes sick with flu illness, CDC recommends that they stay home for at least 24 hours after their fever is gone and their symptoms have improved or resolved. (The fever should be gone without the use of a fever-reducing medicine.) A fever is defined as 100°F (37.8°C)* or higher

A limited supply of free take-home Covid tests are available upon request. First come, first served. Students and staff can request 2 boxes per person which equal 4 tests. These tests are meant for home use only. No Covid tests will be done in school by the nurse at this time due to state regulations.

High School Afternoon Pick Up

Please do not cut through the Prep Division parking lot to pick up High School students. Thank you in advance.
