### Financial Assistance for the 2024-2025 School Year

The online application for financial assistance for the 2024-2025 school year is open. To be considered for financial assistance through the JPII Financial Aid Fund you must complete an application each year with FACTS Grant & Aid Assessment. For the first round of awards starting January 31, 2024, applications must be completed, with all the necessary documentation, by **December 31, 2023**. Applications completed after this date are awarded on a rolling basis depending on availability of funds. *You are encouraged to submit your application as soon as possible and upload documentation as it becomes available.*

Please note the following application requirements:

- 2022 IRS Federal Tax Return, including all required schedules.

The online application can be found at

**<https://online.factsmgt.com/aid>**

or

**by logging into the Family Portal>Financial>Apply for Grant & Aid.**

#### **PLEASE NOTE:**

- Co-applicants must be included on applications.
- If your current marital status is divorced, the parent responsible for payment of the tuition completes and submits the application. If each divorced parent is responsible for a portion of the tuition, each parent should complete and submit separate applications.

#### **HELPFUL TIPS:**

- FACTS frequently emails notices on application status and missing documents. Be sure to add **factsmgt.com** to your contacts so important emails are not missed.
- The most common issue with delays in processing applications is due to poor quality documents. It is best to scan your documents on a printer or by using the Scan feature on your smartphone instead of the Camera feature. If you require assistance uploading documents, contact Mrs. Keras.
